

Grow with us a New Green
Revolution...!

EAGLE VIEW

About us....

- 🌱 Eagle view crop solutions delivers Agricultural products that support farmers all around the country i.e since 2018. We are focused to empower the farming community to have more production and productivity while conserving natural resources. Our aim is to protect and enhance farmer's. 'Yields, strongly support on – Farm efficiency and reduce costs. We strive to make our organic products and technologies available to farmers throughout country. Eagle View can not exist with out farmers, our customers are the life of our company.
- 🌱 The Most Important goal for us is to help the farmer increase the profitability of his farm.
- 🌱 Better Nutrition management will increase plant health and hence productivity. We help farmers grow more food on less land.
- 🌱 Eagle view certainly helps the plant to grow healthily and gives the best possible yield to the grower.

Product Portfolio

- ✦ Bio Stimulants
- ✦ Plant Growth Regulators
- ✦ Micro Nutrients
- ✦ Bio – Fertilizers
- ✦ Organic Fertilizers
- ✦ Bio Pesticides
- ✦ Adjuvants
- ✦ Water Soluble Fertilizers

Rise Up | Grow Up | Yield Up

Plant Growth Stimulants and Nutrients

BENEFITS :

- ✦ Stimulates Plant Growth, Boost up flowering and fruit setting.
- ✦ Formation of more branches in Plants.
- ✦ Increases color and taste of fruits and vegetables.
- ✦ Increases nutrient uptake.
- ✦ Protect the plant from adverse climatic disturbances.
- ✦ Increases new roots, Leaves and promotes growth of the plant which leads to high yields and abundant harvest.
- ✦ Increases extra yield upto 25%

DOSAGE : 2-3 ml / Litre of water

Available Size : 100 ml to 5 Litre

COMPOSITION:

Aminos + Gibberellic Acid + Fulvic + Nitrogen + Phosphorous

BENEFITS :

- ✦ Stimulates Plant Growth, Boost up flowering and fruit setting.
- ✦ Formation of more branches in Plants.
- ✦ Increases color and taste of fruits and vegetables.
- ✦ Increases nutrient uptake.
- ✦ Protect the plant from adverse climatic disturbances.
- ✦ Increases new roots, Leaves and promotes growth of the plant which leads to high yields and abundant harvest.
- ✦ Increases extra yield upto 25%

DOSAGE : 2-3 ml / Litre of water

Star**

7 STAR

Plant Growth Stimulants and Nutrients

Available Size : 100 ml to 5 Litre

COMPOSITION:

Aminos + Gibberellic Acid + Fulvic + Nitrogen + Phosphorous

POSHAK PLUS

Wonder plus

Yield Plus

Yield Booster

BENEFITS :

- It can rapidly corrects micro nutrient deficiencies, promote development and growth of shoot and roots, strengthen anti stress and anti-disease capability of plants.
- Poshak Plus is known to increase fruit set ratio, preventing from Flower and fruit drop.
- Corrects all micro nutrient deficiencies occur in crops.
- Helps in use of nutrients and regulates other nutrients.
- Prevents the fruit cracking, Improves the quality and appearance of fruits.

DOSAGE : 2-3 ml / Litre of water

Available Size : 100 ml to 5 Litre

COMPOSITION:

Humic + Seaweed + Fulvic + Nitrogen

Nutri
Plus

GOLD
+
Plus

SUPER
STAR

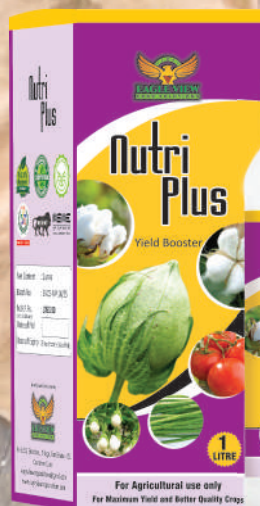

TOP STAR

Yield Booster

BENEFITS :

- > It can rapidly corrects micro nutrient deficiencies, promote development and growth of shoot and roots, strengthen anti stress and anti-disease capability of plants.
- > Poshak Plus is known to increase fruit set ratio, preventing from Flower and fruit drop.
- > Corrects all micro nutrient deficiencies occur in crops.
- > Helps in use of nutrients and regulates other nutrients.
- > Prevents the fruit cracking, Improves the quality and appearance of fruits.

DOSAGE : 2-3 ml / Litre of water

Available Size : 100 ml to 5 Litre

COMPOSITION:

Humic + Seaweed + Fulvic + Nitrogen

BENEFITS :

- ★ Increase Plant growth, Branches & Tillering.
- ★ It induces synthesis of flower and fruit related hormones.
- ★ Helps in better utilization of applied fertilizers through increased uptake.
- ★ It prevents flower, fruit dropping and helps for pollination.
- ★ Improve fruit sizes & colour.
- ★ It helps in proper ripening of fruits.
- ★ Change the fertility problem of a plant.

DOSAGE : 3-5 ml / Litre of water

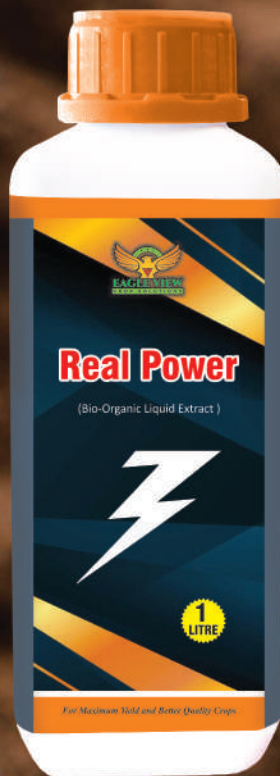

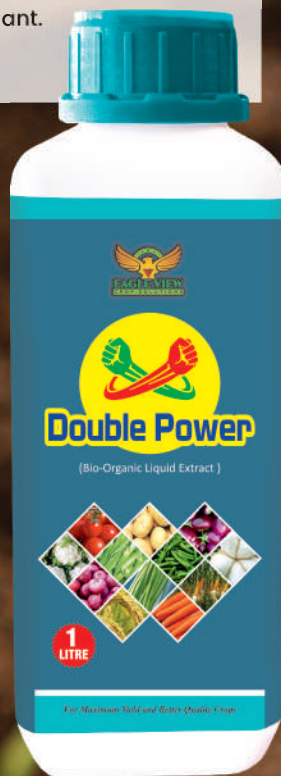

Double Power

Real Power

Multi Power

Tripple Power

Bio-Organic Liquid Extract

Available Size : 100 ml to 5 Litre

COMPOSITION: Humic + Seaweed + Fulvic

BENEFITS :

- ★ Increase Plant growth, Branches & Tillering.
- ★ It induces synthesis of flower and fruit related hormones.
- ★ Helps in better utilization of applied fertilizers through increased uptake.
- ★ It prevents flower, fruit dropping and helps for pollination.
- ★ Improve fruit sizes & colour.
- ★ It helps in proper ripening of fruits.
- ★ Change the fertility problem of a plant.

DOSAGE : 3-5 ml / Litre of water

Magic Power

YIELD KING

Flower King

Bio-Organic Liquid Extract

Available Size : 100 ml to 5 Litre

COMPOSITION:

Humic + Seaweed + Fulvic

BENEFITS :

- ✦ Provides nutritional support to alleviate vegetable plant after each picking.
- ✦ Extends shelf life of export oriented Vegetables, Fruits and Flowers.
- ✦ Special Formulation of 100% water soluble enriched with natural boosters and a unique formulation of Seaweed, Humic Acids, NPK and sufficient requirements of macro and micro nutrients.
- ✦ High Yield-Delivers freshness and improves stomatal activity resulting in high performance. Boosts blossom and provides extra petiole strength to enhance fruit setting.

DOSAGE : 2-3 ml / Litre of water

ROCK STAR | BUMPER YIELD | Big Size

Complete Plant Nutrition, Boosting Plant Health & Growth

Available Size : 100 ml to 5 Litre

COMPOSITION:

Aminos + Seaweed + Fulvic + Vitamins + Micronutrients

GAIN

PROMAX GOLD

PROMOTER

Complete Plant Nutrition, Boosting Plant Health & Growth

BENEFITS :

- ✦ Provides nutritional support to alleviate vegetable plant after each picking.
- ✦ Extends shelf life of export oriented Vegetables, Fruits and Flowers.
- ✦ Special Formulation of 100% water soluble enriched with natural boosters and a unique formulation of Seaweed, Humic Acids, NPK and sufficient requirements of macro and micro nutrients.
- ✦ High Yield-Delivers freshness and improves stomatal activity resulting in high performance. Boosts blossom and provides extra petiole strength to enhance fruit setting.

DOSAGE : 2-3 ml / Litre of water

Available Size : 100 ml to 5 Litre

COMPOSITION:

Aminos + Seaweed + Fulvic + Vitamins + Micronutrients

**Royal
Gold**

**OSCAR
GOLD**

Plant Micro Nutrients

**Nutri
Rich Plus**

**Nutri
Max Plus**

Rich Source of Micro Nutrients

BENEFITS :

- ✦ It is rich in full spectrum of chelated micronutrients with NPK.
- ✦ It can rapidly corrects micronutrient deficiencies, Promote development and growth of shoot and roots strengthen anti-stress and anti-disease capability of plants.
- ✦ It is known to increase fruit set ratio preventing from flower and fruit drop.
- ✦ Improves the quality and appearance of fruits prolonged shelf life.
- ✦ Prevents the fruit cracking, flower and fruit drop.

DOSAGE :

Foliar Spray 3 ml per liter of water. Dosage can be increased depending on the crop size. It can also be applied by soil application or drip irrigation.

Available Size : 100 ml to 5 Litre

COMPOSITION:

Micronutrient Foliar Spray (As per FCO Tamilnadu Grade)
Micronutrients + NPK Foliar Spray (As per FCO Tamilnadu Grade)

NUTRI GOLD

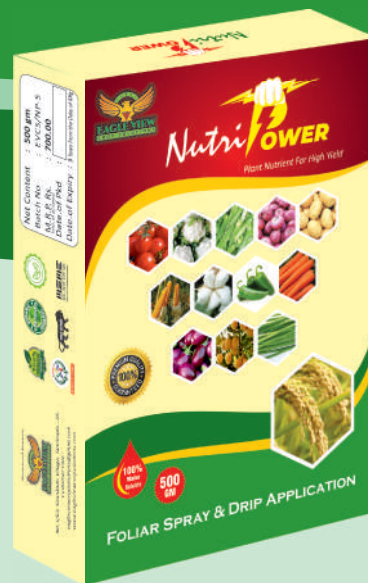

GREEN POWER

Plant Nutrient for High Yield

- ★ Nutri Gold & Nutri Power is 100% mixture of various nutrient which supplies all required micro and secondary nutrients in adequate quantity.
- ★ It thickness, enlarges and balances the leaf growth due to foliar application, boosting plant growth.

DOSAGE :

3 to 5 gm per liter of water.

Green Power MN Powder contains a balanced composition of all micro elements, namely, Copper, Iron, Manganese, Zinc, Boron and Molybdenum. Which the metallic elements are fully chelated by EDTA and Boron and Molybdenum are completely soluble salts. Since there is a perfect balance of all the micro nutrients, dissolves speedily and completely in water and supply required Six essential micro nutrients together in optimum dose to crops. It helps to prevent mix crop deficiencies in different forms occurred gradually at different growth stages of crops.

DOSAGE : 1 gm per liter of water

Available Size : 100 gm to 500 gm

COMPOSITION:

Micronutrient Powder Foliar Spray (As per FCO Tamilnadu Grade)

Eagle Gold

Bumper Gold

Chelated Micronutrients Mixture

It is a composition of the essential micronutrients. All these micronutrients play a highly significant role for physiological growth and bio chemical metabolism of plants.

Advantages:

Ensures the qualitative improvement and an increase in the crop yield by approx. 20-25%. Induces flowering, disease resistance and drought resistance in the plant. Develops healthy root system and wider green leaves with max chlorophyll content. Induces the uptake and translocation of NPK elements in the plants. It improves photosynthesis and induces Tillering in all the crops. Prevents flower and fruits dropping. It increases protein content, colour, size and weight of fruits and seeds in pods.

Application : Useful for each and every crop plantation. 2.5 gms of this should be solved in a litre of water and sprayed at 30-45 days after plantation.

Available Size : 250 gm, 500 gm

COMPOSITION:

EDTA (Chelated Micronutrients Mixture)

Lip Stick | Crop Stick | HELPER

Spreader / Activator / Penetrator

BENEFITS :

- ★ It help to stop unstage of Pesticides, Fungicides, Herbicides and Nutrients etc.,
- ★ It helps to spread Pesticides solution uniformly on target surface of plants.
- ★ It helps to absorb pesticides quickly in plants
- ★ It is very useful during rainy days for Pesticide application.
- ★ It prevents normal run off of Pesticides solution from plants.

DOSAGE : 1 ml / Litre of water

Available Size : 100 ml to 1 Litre

COMPOSITION: Wetting Agent

MAXIMUS | DIAMOND

Everest | JACKPOT

SUPREME

Plant Growth Booster
Increases Blooming and Fruiting

BENEFITS :

- ✦ Higher nutrient uptake.
- ✦ Better branching / tillering and increased foliage.
- ✦ Reduction in the fruit and flower drop.
- ✦ Better development of grains / fruits.
- ✦ Increase in the size and weight of the grains / fruits.
- ✦ Higher yield and better quality of the produce.

Foliar Application Dosage :

1 gm per lit of water.

Soil Application : 1 Kg per acre.

Available Size : 100 gm to 500 gm

COMPOSITION:

Fulvic & Amino & Seaweed Powder for Foliar

HULK

Jaguar

Plant Protector

- ✦ It is a natural Organic Biostimulant (plant origin), plant health product for immunization in plants by triggering defense mechanism to fight against pest. This is natural, 100% organic and environmental friendly product with zero pollution.
- ✦ It acts as a repellent, anti-feedent, Larval growth regulator and oviposition deterrent. The application of this improves plants vegetative growth.

Recommended Crops:

Cotton, Maize, Groundnut, Pulses, Chillies, Paddy, Vegetables, Grapes and Horticulture crops.

DOSAGE :

1 ml / Litre of water

Available Size : 50 ml to 250 ml

COMPOSITION: Organic Larvicide

Mahabali | FIRE FOX

Decider

Plant Protector

- ✦ It is a unique Organic Fertilizer (animal and plant origin) acts as organic fertilizer and betters the resistance in plants by triggering natural defense mechanism to fight against pest.
- ✦ This is natural, 100% organic and environmental friendly product with zero pollution.
- ✦ It is an organic bio stimulant. Its act as natural chelating agents making the absorption and transportation of micronutrients inside the plant easier.

DOSAGE :

2.5 ml / Litre of water

Available Size : 100 ml to 500 ml

COMPOSITION:

Organic Larvicide

ONE TWO
SUPER

Plant Protector

ONE TWO
POWER

DOSAGE :

1 ml to 3 ml per Litre of water depend upon the crop

Mite
CHAMP

**Effective control of
Red & Yellow Mites**

DOSAGE :

2 - 3 ml per Litre of water

VIRUS
CLEAN

**Broad Spectrum
Organic Viricide**

DOSAGE :

2 - 4 ml per Litre of water

Available Size : 100 ml to 500 ml

COMPOSITION: Organic Larvicide

GROW FAST | GROWTH POWER

A Plant Growth Stimulant & Soil Conditioner Water Soluble Powder

BENEFITS :

- * Improves Soil's organic matter and Microbial Growth.
- * Stimulates Plant's Root Development.
- * Increases Soil's water holding capacity.
- * Improves Nutrient uptake by plants.
- * Minimizes plant stress.
- * Improved plant quality.
- * Increases crop yield.
- * Regulates the PH-Value of Soil's.
- * Chelates toxin from the soil.
- * Helps to eliminate iron chlorosis by increasing iron uptake.
- * Improves the overall soil structure.

POWER PLUS

Biological Origin Plant Growth Promoter

BENEFITS :

- * Regulates the PH of water and soil.
- * Act as penetrator and water conditioner.
- * Power Plus helps activate specific enzyme systems. Enzymes are complex substances that Build, modify or break down compounds as part of Plant's normal metabolism.
- * Improves Nutrient Absorption.
- * Power Plus can help increase the uptake of other Nutrients by plants leading to better overall plant health.

DOSAGE : 5gm -10gm per liter of water

Foliar Application : **Fertigation** - 1 Kg per Acre, **Drenching** - 1 Kg per Acre

Available Size : 1 Kg

COMPOSITION:

Super Potassium Humate 98% Black Shiny Flakes,
Biological Origin Plant Growth Promoter

ROYAL GOLD | PRIME GOLD

Micronutrient Fertilizer for Soil Application

BENEFITS :

- ✦ It is rich in full spectrum of chelated micronutrients with NPK.
- ✦ It can rapidly corrects micronutrient deficiencies, Promote development and growth of shoot and roots strengthen anti-stress and anti-disease capability of plants.
- ✦ It is known to increase fruit set ratio preventing from flower and fruit drop.
- ✦ Improves the quality and appearance of fruits prolonged shelf life.
- ✦ Prevents the fruit cracking, flower and fruit drop.

DOSAGE : 10 Kg per Acre. For soil application or Drip irrigation.

kisan Gold

Nature Gold

Organic Soil Enricher GRANULES (Humic Acid 51%)

BENEFITS :

- * It is Fortified with humic and fulvic acids enhance the growth of plant and increase the number of stems and flowers by enhancing.
- * It enhance the growth of roots and increase nutrient uptake.
- * It enhance the disease resistance power of plants and prevent pre dropping of flowers and fruits.
- * Improves soil structure & reduce soil compaction

DOSAGE : 10-20 Kg / Acre.

Available Size : 5 Kg, 10 Kg

COMPOSITION:

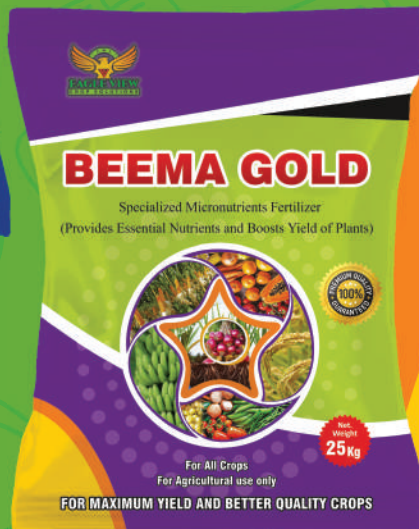

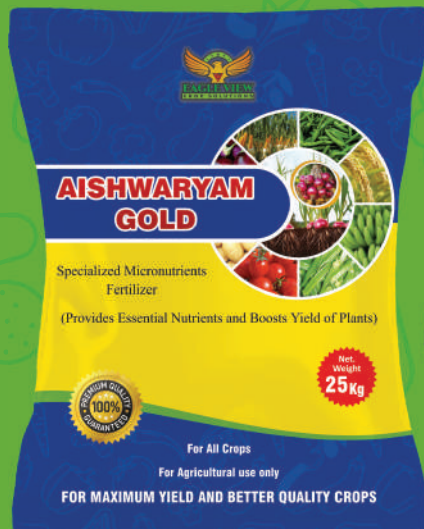

Micronutrients, Organic Granuels / Bag / Bucket

AISHWARYAM GOLD

BEEMA GOLD

Specialized Micronutrients Fertilizer

(Provides Essential Nutrients and Boosts Yield of Plants)

BENEFITS :

- ✦ Helps plants acclimate when water availability changes, transport Ca/Mg/S within the plant.
- ✦ Works with Ca to build cell walls, essential for cell division, helps pollination & fruit/seed development.
- ✦ Helps with chlorophyll production, enzyme functions.
- ✦ Regulates plant metabolism, helps the oxygen evolving complex within the plant.
- ✦ Activates enzymes that synthesize lignin, aids photosynthesis/respiration/metabolism.
- ✦ Chlorophyll production, converts starches to sugars, aids cold endurance/growth/stem elongation.
- ✦ Supports enzyme functions, metabolizes urea nitrogen into usable ammonia.
- ✦ Supports enzyme functions, synthesizes amino acids.

DOSAGE : 25 Kg per Acre.

Available Size : 25 Kg

COMPOSITION:

Specialized Micronutrients Powder / Combination with NPK

GREEN GOLD

MICRO SAKTHI

SOIL CONDITIONER
(Secondary Nutrient Fertilizer)

BENEFITS :

- ✦ Cell Wall structural support, secondary messenger when plants are stressed.
- ✦ Photosynthesis power house, Located in the enzymes.
- ✦ Helps produce chlorophyll, Metabolizes nitrogen.
- ✦ Improves soil structure.
- ✦ Corrects soil PH.
- ✦ Improves water use efficiency.
- ✦ Increases stability of soil organic matter.
- ✦ Improves Low-Solute irrigation water.

DOSAGE : 50-100 Kg per Acre.

Available Size : 50 Kg

COMPOSITION: Secondary Nutrients
